I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

I searched for years to find
the right thing for me. The
Compound I have been using
for 3 years now is working well.
I do not like the prospect of being
told it is no longer available to
me.
